

Section 6.03 Adult-Oriented Entertainment

6.03(A) Title/Purpose

The title of this Section is Adult-Oriented Entertainment.

- (1) The purposes of this Section follow below.
- (2) The Town Board of the Town of Leeds has explicit authority under Wis. Stat. § 125.10(1) to adopt regulations governing the sale of alcohol beverages which are in addition to those set forth in Wis. Stat. Ch. 125.
- (3) The First Amendment of the United States Constitution protects the rights of individuals to present adult entertainment which includes nude dancing, nude entertainment or material with themes or content of a sexual nature. The Town of Leeds may not, and does not desire to, interfere with the right of individuals to present or to attend adult entertainment. Individuals in the Town of Leeds who do not choose to present or attend adult entertainment also have constitutionally protected rights to privacy and security in their property. The Town also has an interest in maintaining order and preventing negative effects from any business which will generate substantial customer volume, automobile traffic and impact on the neighborhood's surrounding adult entertainment establishments. These concerns require the Town to exercise its police powers to ensure that the exercise of the First Amendment rights is not conducted to the detriment of the rights of others. In order to ensure that adult entertainment establishments may operate without adversely impacting the community, and therefore, to make it possible for individuals to exercise their First Amendment rights, the Town of Leeds finds that it is necessary and appropriate to adopt a licensing ordinance which allows the Town to ensure that adult entertainment establishments are created in a fashion which does not cause unacceptable impacts on the rights of others.
- (4) It is a lawful purpose of the Town Board to enact rules and regulations as are necessary for the preservation of health and to prevent the spread of AIDS and other communicable or sexually transmitted diseases in the Town of Leeds. It has been found by municipalities through the State of Wisconsin, as well as communities around the country, that sexually oriented adult entertainment establishments are predisposed to the creation of unsafe and unsanitary conditions; that operators and employees of such businesses tend to participate in sex-related offenses on the premises, creating substantial law enforcement problems, and that the operational characteristics of such businesses have a deleterious effect on surrounding areas, resulting in neighborhood blight and reduced property values, especially when such businesses are concentrated in one area. Many of such establishments install movie viewing booths with doors in which patrons view videotapes, movies, films and other forms of entertainment characterized by their emphasis on depicting, describing or relating to specified sexual activities or specified

anatomical areas, and that such booths have been and are being used by patrons to engage in sexual acts resulting in unsanitary, unhealthy and unsafe conditions in said booths and establishments. This Section is intended to establish standards in order to prevent the spread of AIDS and other communicable or sexually transmitted diseases, and to eliminate the deleterious effects described above in the Town of Leeds.

(5) The Town Board finds that there is an increasing likelihood of commercial exploitation of human sexuality by owners of premises holding “Class B” and Class “B” alcohol beverage licenses in the State of Wisconsin. Such exploitation takes place in the form of employing or permitting persons to perform or exhibit their nude or semi-nude bodies to other persons as an inducement to other persons to purchase alcohol beverages. The direct result of such exploitation is criminal activity, moral degradation and disturbance of the peace and good order of the community. In addition, this commercial exploitation of such nude and semi-nude acts is adverse to the public’s interest in the quality of life, commercial activity and total community environment in the Town of Leeds.

(6) It is the purpose of this Section to regulate adult-oriented establishment businesses (hereinafter referred to as adult-oriented establishments) to promote the health, safety, morals, and the general welfare of the citizens of the Town of Leeds, to aid in the alleviation and prevention of the adverse and deleterious effects of criminal activity and disruption of the public peace associated with such establishments, and to establish reasonable and uniform regulations to prevent the serious health hazards associated with unsafe and unsanitary conditions known to exist in those establishments and to alleviate the spread of sexually transmitted diseases and other contagious diseases in those establishments.
